

The Mission of the Southern Alberta Woodworkers Society is:

- To encourage excellence in woodworking and make Canadian woodwork known as unique and of the highest quality
- To facilitate communication between members and education via regular meetings, special projects, newsletters, and library materials
- To bring before the public and other woodworking organizations fine examples of woodwork by organizing and promoting exhibitions and sales
- To encourage co-operation and support between members to design and market finished products and assist in the purchase of tools and materials
- To use our skills and resources to help people in the community
